

HOW TO DROP OFF AND PICK UP PASSENGERS OF PRIVATE BUSES IN DONOSTIA / SAN SEBASTIÁN

Private buses coming to Donostia / San Sebastian must enter the new underground Bus Station (Pº Federico García Lorca, 1) in order to drop off and pick up passengers. It is forbidden to do it in any other place of the city.

The operating rules are as follows:

- Each “service”, that is, each entrance to drop off or to pick up, costs 13 € per coach.
- This allows 15 – 20 minutes at the platform
- The entrance to the Station is through the lane marked BUS, and at the entrance, a platform number would be assigned and a ticket given, to consequently make the payment in the payment machines located at -1 floor.
- After the 20 minutes, coaches must leave the Station.

It is highly recommended to book the platform in advance at the station.

The booking can be made through:

- the reservation form on Donostia Bus Station web site (<http://www.estaciondonostia.com/en/profesional-area>)
- Sending an email to info@estaciondonostia.com
- Via + 34 943 47 51 50 phone number
- Directly at the station

The coach can be freely parked on a suitable place behind Garbera Commercial Centre, at the east side of the town. (43°18'33"N 1°56'42"W).

This commercial centre is connected by buses 33, 24 & 27 of the DBus bus company
